

THE GRAND RACE

21st June 2009

Get ready to take part in the **WORLD'S FIRST EVER** organised grand piano mountain race!

Something which can only be achieved through co-operation, team effort and individual determination.

What? The Grand Race involves teams of 10 persons, attempting to push and pull trailers each carrying a grand piano weighing nearly 9cwt on a steep mountain road. And, if that isn't challenging enough, you will also be racing to be the quickest to get the instrument from the base near Glenmore to the mountain railway base station – an ascent of nearly **1,000ft** and a distance of **2.6 km**.

And then? Throughout the afternoon, you will be entertained with live Scottish traditional music and an exciting 8 piece rock/soul/blues band. Refreshments will also be available through the Cas Bar situated close to the finish line. This is a party not to be missed!

Why? By taking part in The Grand Race you will be joining with others in raising vital funds for both Disability Snowsport & The National Autistic Society.

Be part of it NOW!

To enter a team, sponsor or find out more, you can find full details on our website. If all this sounds too energetic for you, then you can always cheer on the teams and enjoy the entertainment.

Many thanks,

The Grand Race Team
